Welcome to St. Petersburg! Directions to the Benedict School

Towards Nevsky
Prospect

Benedict School

From Sennaya Ploschad/Sadovaya metro stations, follow Canal Griboedova south (away from Nevsky Prospect). At about building number 86, you will see a beautiful building on your left (pictured below, left) which is located at the corner of средняя подъездная улица and набережная канала Грибоедова. If you get to the bridge with the lions, you've gone too far.

Looking at средняя подъездная улица, the above beautiful building is on your left and a small, and comparatively ugly, two-storey building is on your right (see picture below). Next to the two-storey building is a three-storey building. This is the building you want (number 1). You want the second entrance, which has a Benedict School sign in the window, see picture below.

If you're living in homestay accommodation, don't hesitate to ask your host family for the best way from your flat.
