## READING WEEKS AND COURSE DATES 2010-11

Below you will find the reading weeks and course dates for RLUS courses in the academic year 2010-11. You are expected to attend all your classes and not to leave the city where you are studying, except during reading weeks. If there are very special reasons why you need to be away at other times, you must obtain permission from your university.

**Please note that dates for the spring term courses are provisional. The final dates will be published in early November, when the group air tickets have been purchased. If you are buying your own air tickets, do not do so, until the dates have been confirmed. Your visa normally starts on the date of the group flight and you will not be able to enter Russia even one day before the group flight.**
